

THE LAWRENTIAN

VOL. XLII. Number 5.

LAWRENCE COLLEGE, APPLETON, WISCONSIN

Thursday, November 6, 1924.

Carroll Falls Before Fierce 'Blue' Attack

Fighting Lawrentians Pile Up 20-0
Score; Make Up for Fiasco at Ripon

Carroll college football hopes were rudely shattered and trailed in the dust at Lawrence field Saturday afternoon when Coach Mark Catlin's squad walloped the highly touted Orangemen 20 to 0. It was soon after the opening whistle that the Lawrentians began to show their strength and although Carroll at times threatened the Lawrence goal the Catlinmen held and forced Waikesha's hopefuls either to punt or to lose the ball on downs.

Dunham kicked off to McMurray who fumbled the ball and Lawrence recovered. Lawrence was defending the east goal. Feind was stopped but Briese made 7 yds. off tackle. Feind made 1 around left end and Briese fumbled. Carroll's ball on the 26-yard line. Hofherr made 4 around his left end but was stopped on the next play. Hertz punted out of bounds on the Blue 35-yard line. Kotal and Briese added 6 through the line. Kotal made 1 around the end and Briese got off a poor punt. Carroll's ball on the Blue 48-yard line. Hofherr was halted and Hertz punted out of bounds on the 25-yard line. Kiessling recovered Kotal's fumble on the Blue 17-yard line. Feind was stopped but Kotal made 4 and then Cooke punted to Hofherr on the Blue 43-yard line. Hofherr made five around his left end. On the next play Briese intercepted Hofherr's pass and ran 65-yards for a touchdown. Stoll kicked goal. Lawrence 7, Carroll 0.

Dunham kicked the ball over the goal line and the ball went into play on the Orange 20-yard line. Hertz punted to Zussmann on the Blue 40-yard line. Briese and Kotal hit the line in three plays for 5 and Cooke punted to Hofherr on the Carroll 20-yard line. On the run back Hofherr made 5. Stacey tried the line and Hofherr lost a yard. Hertz punted. Briese got a yard over center. Kotal 4 around the end and Cooke punted. Stacey was hurt and Regah went in at half for Carroll. Hofherr made 5 around the end. Nason went in at half for Lawrence in place of Feind. The quarter ended with the ball on the Lawrence 29-yard line.

No Score in Second Period

Three line plays netted Carroll 1-yard. Hertz punted to the Lawrence 32-yard line. Kotal made 1 and Nason made 5. Regan of Carroll was hurt. Cooke punted to Hofherr on the Carroll 25-yard line. (Continued on Page 7)

Lawrence Students Enter Competition In Essay Contest

Lawrence students will have a chance to win a thousand dollar award in an essay contest fostered by the American Chemical Society for colleges and universities throughout the United States. Quite a number of students have already signified their intention of participating in the contest, which ends March first, 1925.

A prize of one thousand dollars will be given on each of six different subjects. These subjects are:

1. The Relation of Chemistry to Health and Disease.
2. The Relation of Chemistry to the Enrichment of Life
3. The Relation of Chemistry to Agriculture or Forestry.
4. The Relation of Chemistry to National Defense.
5. The Relation of Chemistry to the Home.
6. The Relation of Chemistry to the Development of an Industry or a Resource of the United States.

This contest is a continuation of a contest that was held last year in all the high schools of the country. There were six winning essays in each state with a prize of twenty dollars in gold for each. The subjects were the same as this year.

The purpose of the contest is to develop in the minds of the people in schools and the country in general a fuller realization of the value of chemistry in everyday life. The prizes are furnished by Mr. and Mrs. Francis P. Garvan.

CHURCH HOME OF LAWRENCE METHODISTS

Methodist students at Lawrence are to have the use of the finest Methodist Episcopal church in Wisconsin, when the new structure now being built at the corner of Drew and Franklin streets, is completed. One of the outstanding reasons for building so large and completely equipped a church is the desire to serve college students, according to the pastor, Doctor J. A. Holmes.

Fred W. Trezise of the college faculty is superintending the work. He is engaged by Childs and Smith of Chicago, who also designed the Lawrence Memorial chapel, and Russell Sage hall. The new church will be distinguished not only for its size, but for artistic and architectural features which will mark it as one of the most beautiful devotional edifices in the middle west.

Various thicknesses of buff sandstone are being used side by side, and the variegated tints of the material, ranging from light beige to deep brown, will be set off by dead white joints.

The church will be in English Gothic style, with the main entrance facing the east. The facade will contain an immense window, flanked by flying buttresses surmounted by carved stone. The three floors of the church will be fitted out to make a complete community center.

Beside the main auditorium of the church, the main floor will contain the Sunday school auditorium, offices, a study, and a ladies' parlor containing a large fireplace. The second floor will have six Sunday school classrooms, a choir room and choir assembly while

the basement will include a banquet hall, a large kitchen equipped for cafeteria service, three classrooms, a game room, an apparatus room, and shower and locker rooms for men and women.

The whole church will cost about \$350,000. It will have the largest organ in the state, an Austin universal wind-chest, made after special specifications, with echo and solo, including chimes placed in the rear of the church. The auditorium will be 78 by 66 feet, large enough to accommodate from 800 to 1,000 persons. The Sunday school auditorium, capable of seating 550 students, is provided with a stage completely equipped with footlights, scenery hangers, and a moving picture machine for the presentation of religious pageants.

Urges Amendment As Step In Forest Restoration Work

Professor W. E. Rogers spoke at a dinner given by the Kiwanis Club on Wednesday, October 29. His subject was "The Proposed Forestry Amendment to the State Constitution." This amendment, he stated, will furnish the legal basis and authority for direct state assistance in forest restoration and provides for the possibility of the legislature to appropriate money for forestry purposes.

To Remove Restriction

The only way the state may assist in restoring the forests of Wisconsin, said Professor Rogers, is to remove the present constitutional restriction which prohibits the appropriation of money for all works of internal improvement excepting roads. The proposed amendment will do this if adopted. Of itself it does not appropriate a dollar, but is strictly an enabling act. In conclusion Professor Rogers pointed out that as timber is essential to housing, forestry, commerce, and recreation, it is quite important that the state assist in restoring this important resource, rapidly becoming depleted.

Hannum Elected

Professor Robert H. Hannum is the most recent member of the Lawrence faculty to be elected to the Kiwanis Club.

"Lid-less" Frosh Warned By Senate

Failure to observe the traditional ruling with respect to the "wearing of the green" after repeated admonition to members of the freshman class resulted in punishment which took definite shape last Thursday night. At that time fifteen men of the first year class were brought before the student senate for failure to wear their green caps. In most cases the offenders were warned that a second summons would bring more drastic action. The student senate has ruled that green caps and armbands are to be worn by the freshmen men and women respectively until November 15, and that the custom will be strictly enforced.

HOME-COMING PRIZES

Prizes of unusual worth will be awarded for the best decorated fraternity house and sorority rooms at home-coming.

Basing Sport Shop will donate a silver loving cup for the best decorated fraternity house, while Snider's Restaurant will award a similar cup to the best decorated sorority rooms.

In addition to these Thiede's Good Clothes Company will award a large Lawrence blanket for the best float. The home-coming committee itself has taken over the burden of presenting the most "conspicuous" Ford with a very special award.

Foreign Students' Group Entertains At Social Affair

Dr. D. O. Kinsman and Dr. and Mrs. W. E. McPheeters were guests of honor at a banquet in the main dining room of Hotel Appleton given by members of the International Club on Monday, October 27. This is the first of a series of social affairs which the club intends to put on for its members during the year.

After the dinner Dr. Kinsman gave a short talk in which he extended a welcome to the foreign students at Lawrence and expressed the hope that the International Club would be the nucleus of a still greater organization of foreign students. Dr. McPheeters then addressed the group, saying that the practice of the Golden Rule was the best way for foreign students and foreign countries to get a better understanding of each other. The members of the club were then called upon to introduce themselves and tell something of their experiences in America.

The International club, which has been active on the campus for the last few years, is an organization of foreign students with the privilege of electing one-third of their members from the American students in school. The officers for this year are president, Mr. C. Y. Yee, and secretary-treasurer, Helena Koletzke.

Present members of the club are:

Miss Sophie Bachofen, Switzerland; Mlle. Mainssonnat, France; E. Murata, T. Hayakawa, and Y. Shioji, '25, Japan; P. C. Kwong, T. T. Tsai, T. C. Lui, '25, W. T. Hoh, '27, and C. Y. Yee, '24, China; Donald Lee, '25, Formosa; Albert Ogilvie, '25, Scotland; and Helena Koletzke, '27, America.

Do you write? Can you form a good plot? Have you a one act play? The TORMENTORS are ready to receive applications for membership. Every manuscript submitted will be considered as an application. For further information see Professor F. W. Orr, Professor F. W. Clippinger or Harold Jens.

Plan Unique Touches For Homecoming

Offer Prizes for Decorations, Floats; Ball for Game to Be Dropped From Airplane

Plans are now completed for what promises to be the largest and most colorful homecoming celebration Lawrence has ever had, on November 14 and 15. The huge number of invitations issued make likely the greatest gathering of "grads," old and recent, in Lawrence history, while intense rivalry between fraternities, sororities, and campus clubs should assure the most elaborate assortment of floats and gay house decorations that Appleton has seen in years.

Ball to Drop from Skies

A novel touch will be given proceedings on Saturday just before the kick-off of the game with Hamline, when the ball to be used will be dropped from the skies with a tail of bright streamers by an airplane flown low over the field by Mr. Simon Larson of this city.

As another innovation, an especially designed tin cup will be given by the home-coming committee for the most eccentric and antique campus flivver which makes its halting way through the parade on Saturday morning.

Plan Mass Meeting Friday

Festivities will open with a mass-meeting in the gymnasium on Friday evening at which several alumni, Coach Catlin, and members of the football team will talk in preparation for the morrow's battle. The speeches will be followed by practice cheering and a torchlight parade.

A surprise feature will be the stunt Saturday morning by the freshmen and sophomores, to determine which class shall have the right to place its numerals on the Junior rock.

Decorations this year are to be more extensive and varied than ever before. Main Hall will be draped in blue and white and the dome will be flooded with a battery of heavy searchlights. The grandstand at Lawrence field will be decked out in color. Downtown merchants have consented to trim their store windows with special homecoming displays.

Special Lawrentian Issue

The Pi Delta Epsilon-Theta Sigma Phi special homecoming edition of the Lawrentian is to be brought out Saturday morning. The edition will be largely devoted to sports and alumni news and will include the probable lineups and pictures of the star players, coaches, and teams.

A banquet will be given after the game at Brokaw Hall for all football "L" men, graduate football "L" men, and members of the athletic board, at which the Hamline team will be guests of honor.

As a culmination of events, a dance will be given by the alumni for students and alumni at the Armory.

Jean Jamison Goes To National Meet Of Mortar Board

Another step in broadening the interests of Lawrence toward other colleges and universities will be taken this week when Jean Jamison, '25, attends the national convention of Mortar Board, honorary sorority for senior women, as delegate from Lawrence chapter. She left yesterday for Lexington, Kentucky, where the convention will be held Thursday to Saturday, November 6, 7 and 8.

The program of activities for the delegates includes both work and play, says Miss Jamison. There is to be a business session each of the three days, at which the revision of the ritual, the publication of a Mortar Board song-book, and the issuing of a quarterly magazine for the sorority will be the principal subjects of discussion. Dr. Edwin E. Slossen, famous scientist and author of "Creative Chemistry," will address the convention on Thursday. Friday evening the Lexington Y.W.C.A. will be hostesses at an informal dance for the delegates, and Saturday afternoon the body will be guests at a football game between the University of Kentucky Frosh and Centre College Frosh. Miss Jamison expects to return Monday morning.

M.E. Paper Accepts Co-ed's Story

Helena Koletzke, '27, has the honor of being the first of the campus literati to respond successfully to the recent call for manuscripts of the "Epworth Herald," Methodist publication for young people. Miss Koletzke has had a story, "Where There is Faith," accepted by the magazine. She is a member of the "Lawrentian" staff, and was recently elected to Theta Sigma Phi, national honorary journalistic sorority.

It is hoped that other Lawrence students with literary inclinations will avail themselves of the opportunity of

submitting manuscripts to the "Epworth Herald." In a letter to Professor Frank W. Clippinger, head of the rhetoric department, the magazine stated that it was anxious to receive short stories, articles, and essays from students of this college. Young writers, whether or not they are of the Methodist denomination, are invited to send material. Peppy short stories, from 1,000 to 3,000 words, are especially desired. There is no demand for the sickly sweet, over-moralized type of story.

Manuscripts should be typewritten and sent to 740 Rush Street, Chicago,

Orators, Debaters Burn the Oil For Forensic Try-Outs

**Orr Urges Classes to Fill Quota of
Orators; Debate Subject of
Real Interest**

Interest in the approaching interclass oratorical contest which is scheduled for December 5 is evidenced in forensic circles. Professor F. W. Orr of the public speaking department urges each of the upper classes to make a special effort in selecting representatives to appear in the final contest. At the present time one class with several entries is trying for honors in the final contest, while other classes have not filled their quota of two. The plan in the past was that each class held a preliminary contest to decide upon the two best representatives from that class. Thus the final contest was truly an interclass contest and the results obtained from the use of that system warrant its use again this year, according to Professor Orr.

Debate Tryouts

Those who are planning to appear in the debate tryouts which are to be held November 17, will no doubt find much to think about in the results of the recent election, for the question for debate this year deals with a proposal similar to the one made by the third party, namely: to place in the hands of Congress the power to nullify decisions of the Supreme Court.

Much interest is being shown in the question, which promises a hotly contested argument in the tryouts from which are to emerge the twelve men who will comprise the debate squad for the coming season.

Professor Bagg Goes To Amherst

Dr. Rufus M. Bagg will be the alumni representative of the western colleges at the inauguration of President G. D. Olds of Amherst College, on Friday, November 14, 1924, at Amherst, Massachusetts.

Great preparations are being made for this important event. Among the prominent men to be present are the president of the United States, the attorney-general, the governor of Massachusetts, and all the presidents of the big eastern colleges, and universities. Special trains will run from New York, Boston, and Springfield.

On Friday morning there will be an inaugural procession, and addresses will be given. A faculty reception will take place in the afternoon, and will be followed by an alumni dinner.

The final event is to be a football game on Saturday afternoon with Williams, the old rival of Amherst.

Take Out Rain Insurance

Believing that it is better to be safe than sorry, the Lawrence athletic association has this year adopted the policy of insuring each of its football games against rain, for \$1,000.

The rate is \$6.75 for each one hundred dollars, so that the association spends about \$67.50 for each of its local games. This insures against one-tenth inch of rainfall from 11:00 a.m. to 3:00 p.m.

W. S. Patterson Co.
737 College Ave.

One of the latest things in jewelry accessories is the matched sets of necklace, bracelet, comb and brooch. A set in Bacchalite, a gold, amberlike material, has a necklace of graduated beads, and a bracelet, set with rhinestones of the same gold coloring. A long, narrow comb, also set in rhinestones, is just the thing to restrain unruly bobbed locks.

A new set has a choker of pearls. A feature of this necklace is a long, single strand of pearls that can be worn either down the back or front of a dress. Green glass beads intersperse this string at intervals, so the corresponding bracelet, brooch and comb is a pretty green color.

A string of filigree and blue makes a very charming necklace. Blue rhinestone in bracelet and comb complete this set.

A dainty green bead pendant has a lovely set of earrings in chain and pearl to match.

These sets make ideal gifts, and it's not too early to think of Christmas.

Lawrence Listed As Largest M.E. College In U.S.

Do you know that Lawrence is the largest Methodist college in the country? According to a bulletin recently issued by the Board of Education of the Methodist Episcopal Church, Lawrence college heads a list of twenty-five tertiary schools under the direction of that governing body, in spite of the fact that stricter entrance requirements here have prevented any great increase in enrollment, while nearly every other college under Methodist supervision shows considerable growth.

With approximately 1350 students registered, Lawrence is far ahead of Dickinson college and Simpson college, which are tied for second place with enrollments of 765. Southwestern college rates third with 751 students enrolled. While only five schools have student bodies of the same size or slightly smaller, all others have shown increases of from 13 to 50 percent. Union College, Barbourville, Kentucky, reports the latter figure. At Upper Iowa university, the freshman class this year equals the total enrollment of the school three years ago. The average increase in enrollment for the forty-four Methodist colleges since 1920 is 96 per cent.

Boston Leads Universities

Among the nineteen universities listed, Boston University well eclipses the others with 10,000 students. Northwestern follows second, having 7,522 enrolled, and Syracuse is third with 5,000. All these universities are handling their full capacity of students at the present time, according to the bulletin.

Mrs. Quinlan Sings in Chapel

Mrs. Winifred W. Quinlan, instructor in voice at Lawrence conservatory, sang "Jewel Song" (Faust) by Gounod, and "Prelude from the Cycle of Life" by Ronald, an English composer, in chapel last Wednesday.

Department Heads For 1926 Yearbook Picked By Havens

Ariel department heads for 1924-25, recently selected, are Merlie Damerau, '26, Administration; Winifred Graebner, '27, classes; Harry Seidmore, '26, activities; Dorothy Rohrer, '25, Lawrence life; Raymond Westphal, '25, sports; Florence Torrey, '27, organization; Elizabeth Barton, '25, humor.

Reed Havens, '26, editor, has begun his work in earnest. Assisting him at the business manager's bench is John Barnett, also '26, and according to these officers, next year's volume is to be a decided improvement over previous books, for experience has taught them what Lawrentians desire printed in their yearbook. Several novel features have been planned by the new Ariel staff all of which are to be kept secret. Indications are that the next edition will be well worth waiting for.

The editor has requested that all upper classmen thumb through the pages of last year's edition, and be kind enough to hand in criticisms to the Ariel office on third floor, Science Hall. Office hours established are Monday and Wednesday, 1:30 to 2:30 p.m. Pictures of athletic contests, organizations, students, or Lawrence "life" in general should be turned over to the staff.

New Candidates Make English Club

Olive Hamar, Marshall Hulbert, and Alice Diederich, '26, Clyde Heckert, Harriet Lucas, and Margaret Lees, '25, and Herbert Webster, Marjorie Brown, and Katherine Pratt, '27, were elected to English club at a meeting on Monday in the Literature room in Main Hall.

A novelist and short story writer, Joseph C. Lincoln, who began his literary efforts with verses attached to the Christmas cards he was illustrating, was the subject of Roger Collinge's discussion before the club Monday. Mr. Collinge read extracts from the novel "Galusha The Magnificent" to illustrate Lincoln's dominant quality of humor.

BAND LEADER

Sousa

Lt. Commander John Phillip Sousa will present his famous band at Lawrence Memorial Chapel tomorrow afternoon and evening in one of the greatest programs ever offered to music lovers of the Fox River Valley. The program will be a pleasing mixture of Sousa's famous marches and some of his more recent and lighter compositions.

In addition to numerous solosists there will be a double quartette of saxophones, a jazz band and almost every novelty known. Tickets are on sale at Belling's Drug store.

Letters Of a Lawrence Co-ed

Dear Jane:

The sewing machine in the recreation room at Sage reminded me of the old sewing room at home. I once used to ply a needle quite skillfully, so I decided to make a new dress, which I was quite badly in need of. The Fair Store has just received a new flannel material that must have been made to simplify dress-making. The piece, which is about 57 inches wide, is divided in two colors. One half of it is brick-dust, the other half is a pretty shade of brown. Using the width of the material as the length of your dress one achieves the popular two-tone effect without the trouble of buying two different colors of material. A narrow strip of the brown at the edge of the brick-dust gives you a trimming for collar and cuffs, corresponding to the skirt. All one needs is two seams on the sides, a hem and—presto!—you have a good-looking dress.

Other flannels that the Fair Store displayed were some of checked materials that are suitable for skirt or dress; Bark, Flemish blue, almond green, brick-dust, various shades of tan, were some of the colors shown in the plain flannels. I prophesy that the rec. room will be popular for more things than dancing pretty soon.

Diane.

Lattice Work In Suede Oxfords Strike a Popular Note \$8.50

Comfort, we all agree, is the primary attribute of all shoes. You want something which gives you your money's worth of service. Heckert's shoes are that sort, and the best part of them is that they are so awfully good-looking. For instance, this oxford of black suede calfskin that, one is assured, stays the same deep black all the time. Lattice-work on the instep is a feature of this slipper—lattice-work made of calfskin with corresponding calfskin on collar and point of tip. The heel is Cuban, of substantial leather, and one and seven-eighths inches high.

Pointex Heel Hosiery Is a New Innovation

The cut-out design on this oxford suggests colored hose. The Pointex black heel effect on beige colored hose is ultra-fashionable. Silk and wool hosiery come in plain and ribbed effects. Heckert's also carry a full line of Dollar hose in all the popular shades.

In Society

Enjoy Fraternity Informal

Phi Kappa Alpha fraternity entertained about forty-five couples at a Hallowe'en dance in the Crystal Room of the Hotel Conway, Saturday, November 1. S. L. Malberg's orchestra of Fond du Lac furnished the music. Chaperones were Mr. and Mrs. Fred Trezise, and Mr. and Mrs. Earl McCourt. The following were the out of town guests:

Mr. and Mrs. D. Rowland, Wisconsin Rapids; Mr. and Mrs. Delos Wipf, Iola; Mr. and Mrs. J. Butts, Wild Rose; Misses Moe and Neitzel, Waukesha; Misses Eggers and Kaiser, Waupaca; Miss Miles, Green Bay; Miss Seidl, Marinette; Miss Koplin, Berlin; Miss Chambers, Kaukauna; Messrs. M. Carston and Gilbert Sterr, Waukesha; Evan Chester, Beloit; Evan Terp, Green Bay; Ellsworth Stiles, Marinette; M. Corveau, Berlin; and Lloyd Young, Brandon.

Entertain Pledges At Party

Sigma Phi Epsilon fraternity were hosts to their pledges at a party at the fraternity house on College Ave., Saturday, November 1. Seventeen couples attended. Mr. and Mrs. Ray Barlow, Herbert Mundhenke, and A. L. Franzke were the chaperones.

Entertain Brothers From Madison

Phi Kappa Tau fraternity gave a dancing party at their house on Saturday, November 1, in honor of ten members of Omega Chapter, Phi Kappa Tau, of Madison. About twenty couples attended, chaperoned by Mr. and Mrs. Ludolph Arens. Those present from Madison were: Arthur Johnson, T. Williams, Paul Elfers, Elmer Holzhauser, Paul Glass, Howard Richardson, Dewayne Peterson, Arthur Jenkins, Leon Griffey, and Evald Bank, ex '26.

Mu Phi Epsilon Gives Dance

Mu Phi Epsilon sorority had an informal dance at the Appleton hotel roof-gardens Saturday, November 1. Music was furnished by Behnken's orchestra. The chaperones were Mr. and Mrs. Carl McKee, and Mr. and Mrs. William Rounds. Out of town guests were Ruby Jorgenson, Reedsburg; Florence Gaiser, Kilbourn; Helen DeForest, Fort Atkinson; and Valda Knoke, '24, New London.

Beta Phi Alpha Gives Supper

Beta Phi Alpha sorority pledges and actives had a supper in the chapter rooms, 777 Durkee St., on Friday, October 31. Evelyn Starkweather, ex '26, of Oshkosh, was an out of town guest.

Zeta Tau Alpha Initiates

Zeta Tau Alpha sorority announces the initiation of Ida Hanson, '27, of Spalding, Michigan, and the pledging of Geraldine Miller, '28, of Green Bay.

Sorority Pledges Entertain

The pledges of Zeta Tau Alpha sorority entertained the pledges of other sororities at a matinee dance at the Appleton Hotel Roof Gardens, Friday, October 31.

Sorority Gives Lake Party

Sigma Alpha Iota sorority entertained about forty guests at a lake party at the Women's Club Cottage on Lake Winnebago, Thursday, October 30, from 5:30 to 9:30. A Hallowe'en supper was served, after which stunts and dancing were enjoyed. Genevieve Jones and Violet Older sang light opera selections with a comb accompaniment. Ghost stories closed the evening's entertainment.

Phi Mu Pledges Give Party

Phi Mu pledges were hostesses to the pledges of other sororities at a Hallowe'en matinee party, Thursday, October 30, from 4:00 to 5:30, at the home of Marjorie Neller, 650 Washington St.

Give Affair At Lake

Sigma Phi Epsilon fraternity entertained pledges and actives at the Buchanan cottage, Lake Winnebago, Friday, October 31, from 4:00 to 10:30. About twenty-two couples attended. Dancing followed a six o'clock supper.

Phi Kappa Tau Pledges

Phi Kappa Tau announces the pledging of Sam Danielson, '28, of Waupaca, Edward Blenker, '27, Neenah, and William Stienberg, '26, Merrillan.

Pastor Talks on Relation of Individual to Society

The necessity of the right relation of the individual to society for advancement of civilization was stressed by Rev. J. L. Menzner, of the German Methodist Church, in chapel Thursday. Rev. Menzner showed the responsibility of the individual to contribute to the advancement of society, and that such contribution can be made only if the proper relation exists between the individual and society.

In a practical application of this principle he showed that the student must place himself in the best possible relation to the sources of knowledge in order to gain the benefits of an education.

Sigma Phi Epsilon announces the pledging of Harold Zuehlke, '28, of Appleton.

"Little Change in College Girls," Says Club Leader

The college girl of today may be externally different from her predecessors, but fundamentally she is the same, said Miss Lucy Helen Pierson, general director of the Appleton Woman's club, in her talk on the "Student Girl of 1924," at Y.W.C.A. Sunday evening, at the Conservatory.

The student woman of 1924 who is indispensable, she said, dares to think independently, and to face all that she finds. She must have objective, impersonal thoughts, and must be willing to feel with the people about her. Only after having thought honestly and courageously should she formulate her belief. Thus only, said Miss Pierson, can one come to a religion that is vital, and that can bind us to the center of the universe.

Miss Pierson is known as the founder of the Student Fellowship movement, originated by her in Chicago to bring together isolated students in the city. The movement has since become international in scope, and Miss Pierson's talk emphasized the need for a feeling of fellowship among the different student groups of the world.

Guild Speaks on Ore Analysis

Bruce Guild spoke on "The Chemistry of Iron Mining" at the meeting of the Chemistry Club which was held last Tuesday evening. Mr. Guild spent his summer analyzing iron ore for the Oliver Iron Mining Company of Virginia, Minnesota and spoke about his work with that company.

If It's Something New You're Looking For—
Then Come in and Look Over Our Gift Section For Men

You can find a wide variety of dressy hosiery in either silk, all wool, or silk and wool here. Something warm and at the same time just a little better for the price.

Silk knit ties moderately priced at 85c and \$1.00—also a wide variety of silk four-in-hand ties beautifully striped. Our silk knit dress scarfs in colors of buff, black and fawn can be had for \$1.50 to \$2.50.

Men, you will surely want to look over our pin-seal and smooth leather billfolds listed at \$1.25 to \$2.50. Our leather belts with watch clasps attached will interest you.

For Women

"Half and Half"—or Two-Tone Dress Flannels

This "Half and Half" is the very latest in the line of women's dress goods. Something new and comfy for these chilly fall days. The goods has a light top and a dark bottom with a stripe on the edge for cuffs and collars. The width is 56 inches. 1¼ to 1½ yds is sufficient for one dress. The price is \$4.75 per yd.

Novel Accessories

Leather Collars and Cuffs in white, green, brown and blue—the necessary touch to give that chic appearance—at \$1.25 a set. In addition you will find here a large assortment of linen collars and cuffs in a variety of colors at \$1.25. Some of these have handkerchiefs set jauntily in the cuffs.

Fur, Leather, and Roman Stripe Bandings are some of our very recent additions which we submit for your approval. The leather bandings, 1¼ inch in width, are unusually attractive and can be secured at 48c per yd. Our fur trimmings can be had in cocoa, brown, black or grey. The width is one and two inches with our usual moderate prices ranging from 59c to \$1.75 per yard.

Pearl Necklaces will interest those who really want to appear well dressed. Pearl necklaces are coming into their own again this fall. You need not be without them, for our price is very reasonable at \$1.00 and \$1.50 per string.

HOW TO HELP WIN THE CHAMPIONSHIP

Platform for School Spirit at Lawrence

1. Never attend a pep-meeting. If enough of you stay away, the pep-meeting will have to be called off, which will add materially to the fighting spirit of the team.

2. Always razz the team after a defeat. This will show them that you are standing by them, and appreciating their efforts.

3. Always bet heavily on the game, so that you sink to greater depths of bitterness after a defeat, and rise to higher planes of lubricated exultation after a victory.

If supporters of an opposing team fail to cover your bets, this always means that they have no faith in their team, and not that their school spirit takes other forms of expression.

4. Never wear Lawrence colors or streamers at the field.

5. Never uncover your head while the band is playing your Alma Mater.

6. Never fall in line for a parade back up town after a game.

7. When a member of the opposing team is injured, always express your joy and satisfaction in terms loud and coarse enough so that visitors in the bleachers will appreciate your fine spirit of loyalty to sportsmanship. Such remarks as "Kill 'em all," "Drag him out, he's covered with blood," "Pile up the stiffs on the other side of the field," are particularly appropriate for this purpose.

Then, if your team wins the championship for you, petition the faculty for an extra day of vacation. **You've earned it!**

COME ON LAWRENCE, LET'S GO!

HOW SHALL WE CELEBRATE?

If you have the notion that the proper way to celebrate home-coming is by a spree, get it out of your head. This isn't a sermon—it's a warning.

Have you ever criticized any feature of Lawrence life—the social program, for instance? Have you ever desired any changes in the college rules and regulations? If so, do you expect to bring about these changes by acting in direct opposition to the faculty members and trustees upon whom your present privileges depend?

As students, you have loyal friends among the faculty, who are working hard for your interests. If, at a critical time like home-coming, you violate in your conduct the fundamental principles for which the college stands, you may not only prevent the fruition of any pending plans for your benefit, but you may also antagonize those who are working hardest to carry out the desires of the student body.

Use some of that superfluous pep which might otherwise lead you into so-called humorous pranks of the Halloween type, in working with the home-coming committee to make this a successful event. We are to be hosts to our alumni for a week-end. We want them to have a good time, and to like us. We want to feel that the home-coming has resulted in a closer bond between the college and its 'old grads.' We also want the alumni to appreciate some of our needs, and to realize the good that they can do the college through moral and financial support.

All of this is going to mean work, and the committee can't do it alone. Only hours of thought and days of hard work on decorations for floats and fraternity houses, and lots of 'digging' in preparation for every item on the event on the program, will make the affair go off smoothly. Home-coming is up to you! Are you going to make it a success?

The DUSTPAN

Catches All The Campus Dirt

HERE IT IS

We've named ourselves at last; we flipped the coin yesterday and "Dustpan" won from "Snap to Wit" only because Abe Lincoln never would look down.

That Junior class is in trouble again, look at what we found in one of their officer's pockets the other day:

Dear Miss:—
as you do not pay any tension to my Last to Letters In Regards to Paying For that Pop and Returning 4 cases of Bottles which you ordered Sep 24 I am Ritting you once more If I don't hear from you By the 30 day of October In Regards to a Settlement I Will Take it up With the Lawrence College Before I Put it In Hands of atorney Trusting you will Come in and settle if this Goes in to the Hands of atorney It will be your fault Not mine for I gave you Plenty Time.

Our advice to the Juniors would be to pay their bills and then to send this man an I. C. S. course in business letter writing.

THE LAST STRAW

SONNET

To Miss Brown

(With deep apologies to the shades of one, John Milton)

When I consider how your time is spent,
To teach survey and be the dean at sage.

I ask, "Are thou not fear'd that thou wilt age,
Ere half thine allotted years herein have went?"

Your kindly late permission when some gent
Comes calling where the ladies fair abide

That he may take one stepping at his side—
Has earned for thee a goodly compliment.

I'll say it was the "berries" — six weeks' quiz—
Of all the things you wanted us to know—

I'll say this sonnet ain't no "cameo"—
But that I guess—well—hain't nobody's biz.

Say when it comes to women of renown
I'll tell the world—I'll say I LIKE

Miss Brown.

—Dickie Darlina, '26.

Sounds like "Dickie Darlina" might be working for a "Drag."

HARD WORDS

First Maid:—"How did you like working for the college professor?"

Second Maid:—"Aw, it was a rotten job. He was all the time quarreling with his wife, and they kept me busy running between the keyhole and the dictionary."

It kept us busy running around the field last Saturday to keep in front of that movie camera.

—and Tilliam Wubbs says, "I'm going back to Hollywood where I won't be insulted any more."

So long, Bill.

Hush little sex joke
Don't you cry,
You'll be a drama
By and by.

Dippy says: "Carroll and her imitation 'Prayin' Colonels' must have done more praying than practicing."

Jack: "Prof. Dill told me I had brains."
Jill: "He's clever at using the past tense—isn't he?"

B. B.

In Olden Times

Edited By Ko-ed Kate

This column has been created for the purpose of digging up bits of information from old numbers of THE LAWRENTIAN, or from its predecessor THE LAWRENCE COLLEGIAN, which might be of interest to the students now in school as well as to alumni and general readers.

February 1888: "It has been found necessary to make more room for books in the College Library and several of the bookcases have received additions. When all is completed and the new wood stained, we have no doubt the effect will be very imposing. The Library is constantly increasing in size and we hope the time may come when half the second floor will be devoted to the Library and Reading room."

October 1881: "For a number of years we have been hoping and wishing for a Ladies' Hall, but now it is no longer a hope and wish but a material reality. 'Ormsby Hall' is being built very rapidly and will be ready for dedication next Commencement."

December 1888: "A class in Calisthenics has been lately begun by several of the young ladies under the leadership of the preceptress, and some wonderful attainments are boasted of."

"The second set of Chapel Pieces was held on December third. **** Olin Mead discussed 'The Freedman.' He stated that through his emancipation, many other hindrances have been put upon the negro, and prejudices which can be uprooted only through his being educated."

March 1889: "Dr. Raymond has been called to the presidency at Wesleyan, and everywhere one hears 'Who is to be our next President? What does he look like? Is he bald headed? Will he come down heavy on the boys?' All these questions and many more are being asked by the students, but as yet there is no available answer."

November 1890: "On Saturday evening the ladies of Ormsby Hall very delightfully entertained the gentlemen who board there. The latter fully appreciated their efforts in that direction and would gladly hear another summons."

"All the friends of Lawrence will rejoice over the late gift of Hon. John Hicks to the cabinet of our College. Mr. Hicks is U. S. Minister to Peru, and formerly attended Lawrence. With much labor and cost he has succeeded in obtaining a choice collection of Peruvian antiquities from 500 to 1,000 years old. It consists of fifty-nine pieces and is the largest ever presented to the college by one man."

Rasey Urges Law of Service to "Y" Men

Mr. Lee C. Rasey, principal of Appleton High School, addressed the Y. M. C. A. Sunday night. He emphasized the fact that the only solution to our social problems is to put into operation the law of service, which is the essence of Christ's philosophy.

"Our problems of today are problems of human relationship," said Mr. Rasey. "There are as definite laws that govern human relationship as laws in the field of science. The law of service should operate in the affairs of mankind. The law of force, no matter how great, is insufficient to cope with our social problems."

Mr. Rasey is optimistic in regard to the present generation. "I believe this is a greater age of idealism than the world has ever known," said he. "I feel confident that there is that spirit of service in the world today."

"One must serve whatever opportunity of service presents itself," concluded the speaker. "Our consciousness must be directed to the world outside. We must hold up the standard of Christ and make service the supreme law of mankind."

BRIEFS

Mostly Personals

John O'Leary and Dom Monte, ex '26, who are attending school at Madison this year, spent the week-end at the Theta Phi house.

Guests at the Delta Iota house last week-end included Roland Tesch, '22, of Chilton, Ralph Puchner, '23, of Edgar, Wisconsin, and Kenneth Hamar, ex '26, of Marinette.

Michael Klein, Ph.D., '18, who is professor of Chemistry at the University of Wisconsin, visited with Sigma Phi Epsilon fraternity brothers last week-end.

Alumni of Sigma Phi Epsilon who visited at the fraternity house last week-end were:

George Bouchard, '15, who is an attorney-at-law, in Milwaukee, Victor Werner, ex '22, of Green Bay; Clinton McCready, '22, of Milwaukee; Dudley McFarland, '18, bond salesman for the National City Bank of New York, at Milwaukee; George Watson, '21, superintendent of schools at Waupaca; and Edmund Tink, of Lomira, Ralph Hiker, of Oakfield, and Merritt Mitchell, of Milwaukee, of the class of '25.

Ernest Sullivan, '26, and Bert Haertel, '28, spent the week-end at Stevens Point.

Howard Bredlow, '27, visited at his home in Marshfield, over the week-end.

George Stoll, of Sheboygan, visited with Leonard Stoll, '25, at the Delta Sigma Tau house last week-end.

Hanford Johnson, '25, spent the week-end at Madison.

Elmore Huberty, of Menominee Falls, visited with his brother, Ben Huberty, '26, at the Elos house, last week-end.

Guests at the Beta Sigma Phi house last week-end were: Walter Williams, '20, who is a lawyer at Green Bay; Leonard Vincent, ex '23, principal of the DePere high school; Alfred Gardner, ex '23, who is chemist at one of the paper mills at Green Bay; and Ralph Strand, of Racine, who visited with Rollin MacElroy, '25.

Kenneth De Lancey, '28, entertained his parents and brother, from Elgin, Illinois, at the Beta Sigma Phi house last week-end.

Richard Sawtell, '28, visited at Oshkosh over the week-end.

Oliver Seybold, '28, and Lillian Seybold, '26, spent last week-end at their home in Forest Junction.

Ormsby girls who spent last week-end at their homes are Bernice Porterfield, '26, Lucille Bitters, Gwendolyn Roesch, Beryl Rice, Lola Payne, and Adeline Lang, '28.

Vivian Cripe and Ethel Steingraber, '28, spent last week-end at Miss Cripe's home at Wausaukee.

Helen Strong, '27, spent Saturday and Sunday visiting Stevens Point.

Anna Johnson, '26, visited in Oconomowoc last Saturday and Sunday.

Margaret Smith, Chloro Thurman, Florence Colburn, '26, Irene Colburn, '25, and Constance Raymaker, '28, spent last week-end at their homes in Green Bay.

Gladys Van Hallen and Lucille Olson, '28, visited with Lorna Packard, '25, at the Packard cottage on Lake Winnebago, last week-end.

Marion Anspach, Ruth Dunham, and Helen Greenwood, '28, visited at their homes in Neenah last Saturday and Sunday.

Among the Russell Sage girls who spent last week-end at their homes were: Francis Gates, '26, Mary Werner, '27, Margaret Anderson, and Agnes Norem, '28.

Marian Bloedel, '28, spent the week-end at Waupaca, visiting friends.

Margaret Harsch and Lila Greene, '28, visited in Milwaukee last Saturday and Sunday.

Dorothy Blahnick, '28, visited in Menominee, Michigan, last week-end.

Guests at the Phi Kappa Alpha house last week-end included: Forest Knaup, ex '25, of Beaver Dam; Ellsworth Stiles, ex '25, of Marinette; Lloyd Young, '24, of Brandon; Leonard Dayton, of Randolph, and Ervin Chester, of Beloit.

Ralph Thomas, '23, of Beaver Dam, and John Faulks, '23, of Oshkosh, visited at the Phi Kappa Tau house over the week-end.

Dr. and Mrs. Weston were called to Beloit Saturday by the death of Mrs. Pratt, aunt of Mrs. Weston.

Miss Beatrice Kort of Kenosha, visited with Sigma Alpha Iota sorority sisters over the week-end. Miss Kort is an alumnae member of the Sigma Alpha Iota sorority.

Talks on Tropical Diseases

Professor Robert H. Hannum will speak to the nurses' training class at Theda Clark hospital, Monday, November 10th. His subject will be "Tropical Disease." Mr. Hannum has more than one basis for his knowledge of the subject, since he has only recently recovered from an attack of tropical malarial fever which confined him to his home for a week.

Profs Start Volley Ball

The favorite sport of Lawrence professors is unique in that it has been enjoyed with a great deal of enthusiasm for the past fifteen years by several members of the present group. At present the volleyball ball stars include Dr. Wilson S. Naylor, Professor F. W. Orr, and Dr. J. H. Farley. Dr. Plantz is also playing a good game this year. The players show signs of steady practice, the results of which proved dangerous to Eddie Kotal's team of college players in a game last spring. Practice is conducted every evening, from five to six.

Mrs. Raney is at home again following an operation at St. Elizabeth hospital.

Beach & Nichols Service
WHITEHALL, WISCONSIN

Thomas A. Edison and Charles P. Steinmetz in the Schenectady laboratories of the General Electric Company, where Dr. Steinmetz did his great work

Steinmetz

The spirit of Dr. Steinmetz kept his frail body alive. It clothed him with surpassing power; he tamed the lightning and discharged the first artificial thunderbolt.

Great honors came to him, yet he will be remembered not for what he received, but for what he gave. Humanity will share forever in the profit of his research. This is the reward of the scientist, this is enduring glory.

Emerson tells how the mass of men worry themselves into nameless graves, while now and then a great, unselfish soul forgets himself into immortality. One of the most inspiring influences in the life of a modern corporation is the selfless work of the scientists in the laboratories, which it provides for their research.

GENERAL ELECTRIC

GENERAL ELECTRIC COMPANY, SCHENECTADY, NEW YORK

LITTLE FIVE SPORTS MID-WEST

To Award Letters For Good Work In Intramural Sports

Denny Places Minor Sports on Firm Footing; Names Qualifications for Athletic Emblems

In the fall of 1923, when A. C. Denny was signed as director of athletics it was announced that the sports program at Lawrence would be greatly improved upon and the scope of athletics broadened and made worthy of the time that might be spent upon it. Before that time Lawrence was considered a power in football and other sports were very much neglected. If by chance good basketball material or track material entered school, that particular sport might boom for a while; generally, however the minor sports were permitted to lag and only football was boosted.

During his first year Denny gradually built up a minor sports program and put basketball on a solid foundation. The reward or honors gained in basketball was the awarding of the "L." and in football and track this same honor was granted, but the reward for participation in minor sports and intra-mural sports was only that credit which might be given by the spectators.

As a further step in his program Denny has secured the consent of the Lawrence Athletic Association to announce that they will hereafter award the regulation intra-mural medal to leading participants in intra-mural contests and will award letters in the minor sport contests.

The rules for winning the football letter are that the candidate must have had one quarter's participation in each of three Mid-West or Little Five Conference games, or games with schools of equal standing with conference schools. In case of injury a man must have the coach's recommendation that he is worthy of the award, and he must also be scholastically eligible at end of the playing season.

Basket-Ball "L" Requirements

Must participate in majority or Mid-west-Little Five games; games with schools of equal standing with conference schools to substitute for conference schools if necessary; coach's recommendation in case of injury or illness; must be scholastically eligible and on squad at end of season.

Track

Third place or better in the annual state meet. Fourth place or better in the Midwest meet. First or two second places in the same dual inter-collegiate meet. Must be eligible and on squad at end of season; meets with schools of equal standing with conference schools will also count toward letter.

Minor Letters

A blue sweater with a white "L" and white letters indicating the branch of sport will be awarded in the minor sports, and in tennis the requirements are that a man have won two first places in major dual meets; first, second or third in conference meet or first or second in a state meet.

Wrestling—First place in major dual meet. First or second in conference meet.

Cross-Country—Third or better in major dual meet; fifteenth or better in conference meet; championship team of conference.

Medal Qualifications

The Intra-mural medal will be awarded in tennis to the winner of the annual spring singles tournament; winners of the annual spring doubles tournament.

Cross-country—First, second, or third place winner in annual cross-country run.

Loss Of Linesmen Hits '25 Prospects

Bill Kiessling

Loss of men from graduation will hit the line particularly hard this year. Two members of the class of '25 playing on the line are Kiessling, guard, and Packard, tackle.

Kiessling has been on the squad four years and has won three letters. His best game was probably against Iowa, where he hurt his leg and had to be removed in the second quarter. This injury also kept him from being in the Ripon game until the last few minutes, but Saturday he opened up many holes in the Carroll line for gains. He is a husky 200 pounder, and his loss will weaken the line considerably.

Eldie Packard

Packard came to Lawrence from Antigo high, where he played both football and basketball. He has made the squad in football two years and has also played guard on the basketball squad. He is a hard player and makes his presence in a game known.

Wrestling—First in each of the following classes in the All-Campus tournament: 115, 125, 135, 145, 158, 175 and unlimited classes.

Boxing—First in each of the above named classes in the All-Campus boxing tournament.

Swimming—Winner of the annual swimming tournament.

Diving—Winner of the annual diving tournament.

Horseshoe pitching—Winner of the annual spring singles tournament; winner of the annual spring doubles tournament.

Give Frosh Numerals

The rules for the awarding of the Freshmen numerals in football are that the candidate must be a member of the Freshman football team, whose attendance and participation draw recommendation of the coach. Frosh managers whose work deserves the reward are also eligible. The number of sweaters and numerals is limited to 14.

In basketball the award will be given eight men whose attendance, participation and sportsmanship draw recommendation of coach. The frosh basketball manager, if his work deserves the award, is also eligible.

Football Schedule

Oct. 4—Lawrence 42, St. Norberts 0
Oct. 11—Lawrence 55, Northwestern 0
Oct. 18—Lawrence 5, Iowa U. 13
Oct. 25—Lawrence 7, Ripon 7
Nov. 1—Lawrence 20, Carroll 0
Nov. 8—Open Date
Nov. 15—Hamline at Lawrence (Homecoming)
Nov. 22—Lawrence at Beloit

Fashionable Haircuts

at the

Conway Hotel Barber Shop

Punts and Fumbles

The game was attended by over 5,000 people. It was stated that about half of Waukesha closed up shop and travelled up to see the encounter. Among their delegation were fourteen youngsters who had bummed their way up to Neenah on a Soo Line freight Friday night.

The game was exceedingly hard fought and although the Lawrentians played as usual without pads and head-gears not a Lawrence man was injured. Carroll did not fare so well however, and several of her best men are out for the season.

Carroll hopes of a world beater this year have been rudely shattered. Not only does the defeat hurt their prestige but Armstrong has lost several good men for the rest of the season. Although he may be able to find men to take the places of the men on the hospital list his reserve power will be well depleted.

Olson and Cooke played their last game under the Lawrence colors Saturday and both did themselves credit. "Ossie" was smashing up Carroll's passes like the veteran that he is, while his punts were always good, one being for 65 yards. "Swede" was a power in the line both on the offensive and

Frosh Play Shawano In Armistice Game

Shawano is preparing for a great Armistice day, the feature of which will come in the afternoon when the high school gives battle to the Lawrence frosh football team. All the stores will be closed and the streets will be decorated for the occasion. There will be an elaborate program beginning with a parade in the morning and ending with a dance in the evening.

This game has been hanging fire for some time. Postponed several times and almost cancelled once, it has been finally set for November 11. It is going to be a big day in Shawano and they are going to work hard to win the game. Shawano has an excellent record so far this year, but the frosh are going to spoil this holiday for them.

Liz Blackburn's squad worked Carroll plays last week and put in a heavy week of scrimmaging with the Varsity. They showed up well against the Varsity and are in good condition for the Shawano game. There has been a big change in the squad since the St. John's game and they expect to give a good account of themselves at Shawano next week.

defensive and as cool-headed and aggressive a center is going to be hard to find.

Carroll spirit was not lacking. When we recall how the Carroll cheer leader sat on the top of the fence and called to his rooters to urge their team to fight, with his voice hardly more than a whisper, he's got a lot of credit coming. That's the spirit that makes college football.

Sorenson Leads In Cross-Country Tryout Saturday

Results Promise Fast Race When Denny's Harriers Meet Marquette Squad at Homecoming

Lawrence college cross country running began Saturday with a trial race between two teams chosen from the squad. The prospects for a fast team to engage Marquette when they come up November 15 are good. Sorenson, who finished first, covered the course in 14 minutes, 27 seconds, the best time for this course thus far.

The two teams, the "Whites" under Captain Larsen and the "Blues" with Purvis as captain, started from the front of the library at 1:30 Saturday. The course ran down Alton to Green Bay Street, then down river to North Street, up North to Pacific, Pacific to the cemetery, Wisconsin to Meade, down Meade to the field, once around the track and finished in front of the grand stand.

The "Whites" won by seven points, but the finish was hotly contested, all the runners finishing at short intervals. The teams, their finishing places, and the total points are as follows:

"Whites"	"Blues"
4 Larsen (capt)	2 Purvis (Capt)
1 Sorenson	5 Kingsbury
3 Locklin	7 Bredlow
6 Snyder	10 Kniep
9 Carry	8 Froeba

Carroll Gets Zero End of 20-0 Score

(Continued from Page 1)

line. Hofherr returned 5-yards. Cooke threw Hofherr for a 5-yard loss. Lang made 4 off right tackle. Hertz kicked to Zussman, who fumbled, but Kotal recovered. Holdridge went in for Stoll. Nason got away for 17-yards and the ball was on the Carroll 46-yard line. Kotal added 5, Nason 3, Briese 6 and then Kotal was stopped. Nason was halted on line. From a fake play formation Cooke speared a difficult pass from Kotal. The pass was good for 20-yards. Kotal added 6 and then 3. Briese made it first down again. Kotal made one and Zussman lost the advantage. Nason added a yard. On an end run Nason fumbled and it was Carroll's ball on their 9-yard line. Hofherr made 3 but on the next play Council broke through and nailed him for a loss. Hertz punted to the Orange 35-yard line. Lawrence was penalized 15-yards for clipping. Kotal got away around his left end and ran 30 yards before he was stopped. Nason made a yard. Time out for Carroll. Lang and Brey were injured and carried from the field. Sterr went in for Lang and Reed for Brey. Hipke went in for Kiessling. Kotal added 8 off tackle. Dunham's place kick was wide. Carroll's ball on the 20-yard line. Landsverk made 2 through the line and Sterr added one as the half ended.

Third Quarter Plays

Kiessling was back at tackle when the second half started. Hertz' kick-off was low and Olsson was downed on the 34-yard line. Cooke punted, the kick traveling 65 yards. Sterr was stopped and Landsverk made 2 through the line. Hofherr made 5 and Hertz kicked to the center of the field. No one made an effort to stop its progress and the ball rolled back 15 yards into Carroll territory. Nason made a yard around the end and Kotal hit the other end for 3. Carroll called time out. Briese made ten off left guard. Nason added two over center and Kotal added 10 around the end. Nason tripped in getting started and lost 4. Carroll was penalized 5-yards for being off side. Kotal missed the pass from center and Zussman recovered on the Carroll 20-yard line. Kotal then made 15 around the Orange left end. Nason added 2 off guard and Kotal carried the ball 4-yards for a touchdown. Nason's drop-kick was short. Lawrence 13, Carroll 0.

Hertz of Carroll kicked to Packard who was downed on the Blue 28-yard line. Cooke punted to the center of the field. Sterr tried the Lawrence right end to no avail. Hofherr passed 10-yards to Hertz. Sterr's pass was incomplete. Schultz dropped Hofherr's pass. Hertz kicked out of bounds on the Lawrence 28-yard line. Kotal lost 6 on an end run and Nason made 1. Cooke punted to the Carroll 35-yard line and after Sterr had been down he got up for another ten yards but the referee ruled him down the first time. Landsverk made 2 off tackle and Sterr was thrown for a loss. Hertz kicked to the Lawrence 35-yard line. Kotal made 5 around the end. Briese made 5 off tackle but Nason hit a wall. Cooke punted to Carroll 18-yard line. Feind went back in for Nason. Hofherr made nothing and Council threw Landsverk for a loss. The quarter ended with the ball in Carroll's possession on her own 18-yard line.

Final Period Exciting

Hipke was back in the line for Kiessling. Hertz punted and the ball rolled to the Lawrence 12-yard line. Kotal made 1, but then fumbled and lost 8. Cooke punted from behind his own goal

Badger Runner

Ray Kubly

Ray Kubly, ex-'25, now attending the University of Wisconsin looms up as one of the best cross country men that Wisconsin has had for years. According to Capt. Piper of the Badger Harrier squad, Kubly is one of the best runners in the Western conference. Aside from scoring first place in both the Michigan and Minnesota meets and second in the Marquette track contest, Ray has broken several course records at Wisconsin.

Ray Kubly will be remembered as one of Lawrence's surest point winners in track. He represented his Alma Mater in the two mile event and usually came through with flying honors. Kubly is a member of Delta Sigma Tau fraternity at Lawrence.

line to Hofherr who was downed by Zussman on the Lawrence 35-yard line after gaining 5 yards. Sterr passed to Dugan for 9 yards. Holdridge stopped Hofherr. Landsverk made a yard. It was fourth down with a foot to go and Sterr made it in a line play through the center. Briese knocked down Sterr's pass. Sterr made 8 on a fake pass. Hofherr threw the ball away on a pass. Another pass to Landsverk was good, but Carroll lost the ball on downs. Kotal made seven. Black of Carroll was hurt, time out. Boettcher went in for Feind. Boettcher played full, with Kotal and Briese at halfbacks. Boettcher hit the line for 5 and then 4. Kotal made 6 around the Carroll right end, but the ball was called back and the Blues were penalized 5-yards for being off side. Eddie then tripped off 30 yards around his left end and placed the ball on the Carroll 48-yard line. Briese was stopped and on the next play fumbled, Dugan of Carroll recovering. Sterr's pass was incomplete and Carroll was penalized 5 yards. Hofherr's pass was incomplete and on his next try Schultz took the play too easy and dropped the ball. Hofherr then passed to Dugan for 15 yards but on the next play Council threw Hofherr for a loss. Cooke blocked Sterr's pass and Council caught the ball. Heidemann went in at half, Kotal to quarter and Zussman came out. Heidemann then went 15 yards around his right end. Briese made 9 and on two line smashes Boettcher made 4. Heidemann then put the ball on the Carroll 7 yard line in another one of his sprints around the end. The Lawrence backs were running perfect interference for the little half. Briese made 3 and so did Boettcher. Kotal took the ball over with Council opening the way. Stoll came back into the game and missed the try for point. However, Dugan, Carroll's Indian end was caught slugging and put out of the fray. The point was awarded to Lawrence by the referee because of this

(Continued on Page 8)

Two Leagues Fear Blue Title Seekers

Sport writers in the Midwest conference are giving Lawrence the edge in the race for the Midwest title with Coe and Cornell as their most serious competitors. Although Coe and Cornell are stamped as powerful teams still the smashing brand of football displayed against the Iowa U. team three weeks ago, gives Lawrence a position in a class by itself. Cornell is next in line for observance. Cornell with two Midwest scalps tucked under its hat is clamoring loudly for title honors. Beloit is whipping its machine into tiptop form to meet the Cornell intruders Saturday. A win over Cornell by Beloit will lodge the Mt. Vernon aggregation into second place with the Gold, leaving Lawrence and Coe as the leading aspirants.

Should Cornell in turn defeat Coe, and Lawrence defeat Hamline and Beloit successively, Lawrence would be acknowledged as the "super team" leading the list with two wins and one tie game. Knox although undefeated, is not regarded as a leader since reports indicate that injuries have weakened their team considerably since their debut against Beloit. Ripon, Hamline, Carleton and Monmouth have each lost one game and consequently cannot be considered in the race thus far this season.

Little Five Conference

Smashing through the Carroll team Saturday, Lawrence displayed itself as the most plausible contender for the Little Five Title. The highly touted Carrollites, crippled severely as a result of the last Saturday's game will have to put up a desperate exhibition against Ripon in order to stave off defeat. Beloit, although already beaten by one Mid-western team, is still in the running for the Little Five Title. According to reports Beloit is infested with the injury bugaboo and will not be able to present a very formidable lineup for the balance of the season against their aggressors.

Alumni at Delta Sigma Tau house last week-end were: Merle Gribble, '24, of Columbus, M. E. McNeil, ex-'24, of Kenosha, and Reginald Midway, ex-'27, of Wauwatosa.

Collinge, Snider and Behnke Enter Rhodes Try-Outs

The names of three Lawrence men will appear on the list of candidates from Wisconsin for the Cecil Rhodes scholarship this year. The Lawrentians who have made application for consideration in the selection of the candidates are Harry Snider and Alden Behnke, '27, and Roger Collinge, '25.

Every two out of three years, the colleges and universities of Wisconsin may offer candidates for selection. The requirements of each candidate are:

1. Citizenship. Candidate must be a male citizen of the U. S. with at least five year's domicile, and unmarried.
2. Age. Candidate must be between the ages of nineteen and twenty-five.
3. Scholastic standing. Candidate must have completed his sophomore year in some degree-granting college or university of this country.

Require No Examination

There is no examination whatsoever connected with the selection of these men. Their selection is based entirely upon scholarship, character, and participation in college activities.

A Rhodes scholarship at Oxford University, England, is tenable for three years, the stipend for which period is £350 a year. The student is entirely unrestricted as to his choice of studies.

Three Lawrentians Honored

Lawrence has had up to this date, three Rhodes scholars. In 1905 A. E. Rollins was selected, in 1910 E. A. Hooten went from Lawrence, and in 1922 Kevil Larson was chosen a representative from this state in the English university. This, according to Prof. Wm. F. Rancey, is a better record in this field than can be shown by any other college in the state.

Latin Department Acquires Library of Roman Fiction

Latin students will have a chance to enliven their collateral reading when they patronize the new library which is coming into existence in the department.

The library will consist of historical novels in English about the Roman period, and will be loaned for one cent a day. The collection is just starting, however, and any contributions will be gratefully accepted.

The idea was conceived after reading "The Conqueror", a novel by Mrs. Naomi Michison, an Englishwoman who is one of the foremost women historians. The book is now in the library. Mrs. Michison has written a new book called "When the Bow Breaks."

Carroll Get Zero End Of 20-0 Score

(Continued from Page 7)

and Carroll penalized 15 yards on the kickoff. Lawrence 20, Carroll 0.

Carroll sent in several substitutes and the Orange was forced to kick off from the 25-yard line. Hertz kicked to Briese, who was downed on his own 35-yard line. One the next play Heidemann fumbled and it was Carroll's ball. A long pass was incomplete, and Lawrence knocked down another pass. Stark went in for Hipke. Gander was playing guard for Council. Hertz' try for drop-kick was short. It was Lawrence's ball and Heideman scampered 25 yards around the Carroll left end. Boettcher fumbled and Carroll recovered. Two Carroll passes were battered down and Sterr got away on an end run. Carroll punted to Lawrence 5-yard line. Line plays netted the Blues 9 yards and the game ended with the ball on the Blue 15-yard line.

New York Alumni to Hold Annual Meet

An annual gathering of Lawrence alumni at which a number of graduates from "way back" in the '90's will be present will take place in New York City on November 19. Dr. Samuel Plantz will be among the thirty or forty who customarily attend. For several years the reunion has been held at the rooms of Miss Helen Waldo, of the class of 1899, but the place of meeting this year is not yet decided. Besides those of more recent graduation, among older representatives present will be Mr. W. B. Miller, 1889, and his wife; Dr. A. D. Ball, 1887; and Mr. A. S. Bennett, 1902.

Cash paid for false teeth, platinum, old magnet points, discarded jewelry and old gold. Mail to Hoke Smelting and Refining Co., Otsego, Mich.

Tell of Summer Experiences

The geological engineers held their regular meeting last Thursday. The program consisted of descriptions or work done during the summer by members of the organization. Mr. Rehbein spoke about his experiences looking over oil fields and collecting specimens in Colorado, and Mr. Warner told about his visit in the iron mines of the Lake Superior Regions.
